## 2017 CRUISE NEWS • SKAGWAY SHIP SCHEDULE

PHOTO: DAVID MARANO

The 2017 summer visitor season is just around the corner. We anticipate another successful year with a potential of over 815,000 cruise ship visitors and an additional 140,000 independent travelers. Daily cruise ship passenger capacities are listed next to each date, and estimated totals for the season can be found on the back page. There are many great events planned for 2017 for everyone's enjoyment. A schedule of events and visitor information contacts are listed on the back page.

Additional schedules are available at the Skagway CVB Visitor Information Center located in the AB Hall or on our website at [www.skagway.com](http://www.skagway.com). As always, please make sure that we have your current brochures and contact information. The Visitor Center is open seven days a week during the summer. Stop in or call if we can help you in any way to prepare for the upcoming season. Good luck and best wishes for another successful summer.
